So why choose Champion?

Champion motorcycle filters are precision-engineered to match or exceed OE standards. They are made from the highest quality materials and manufactured to exacting standards ensuring virtually zero defects. On the road (and off the road) they deliver maximum performance with unrivalled protection.

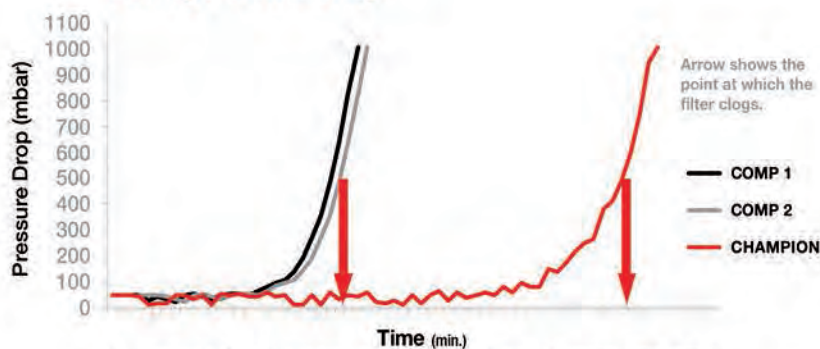

Advantages of choosing Champion

Extended life

Independent tests, (ISO 4548 - oil, and ISO5011 - air) have shown that Champion filters outperform the competition. We guarantee quality across our entire motorcycle filter program.

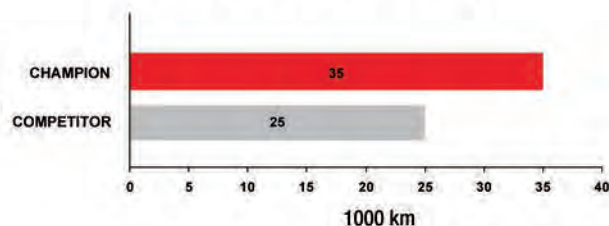

Life Cycle Efficiency

Tests carried out by independent source according to industry standard ISO 4548/4. The graph clearly shows that the Champion filter filters more efficiently than the competitor's filters.

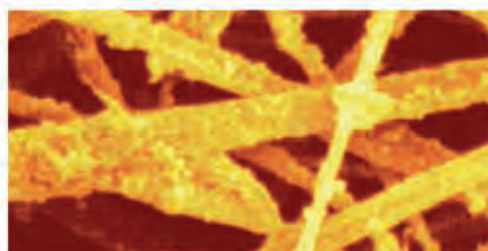

Service Life Filter Efficiency

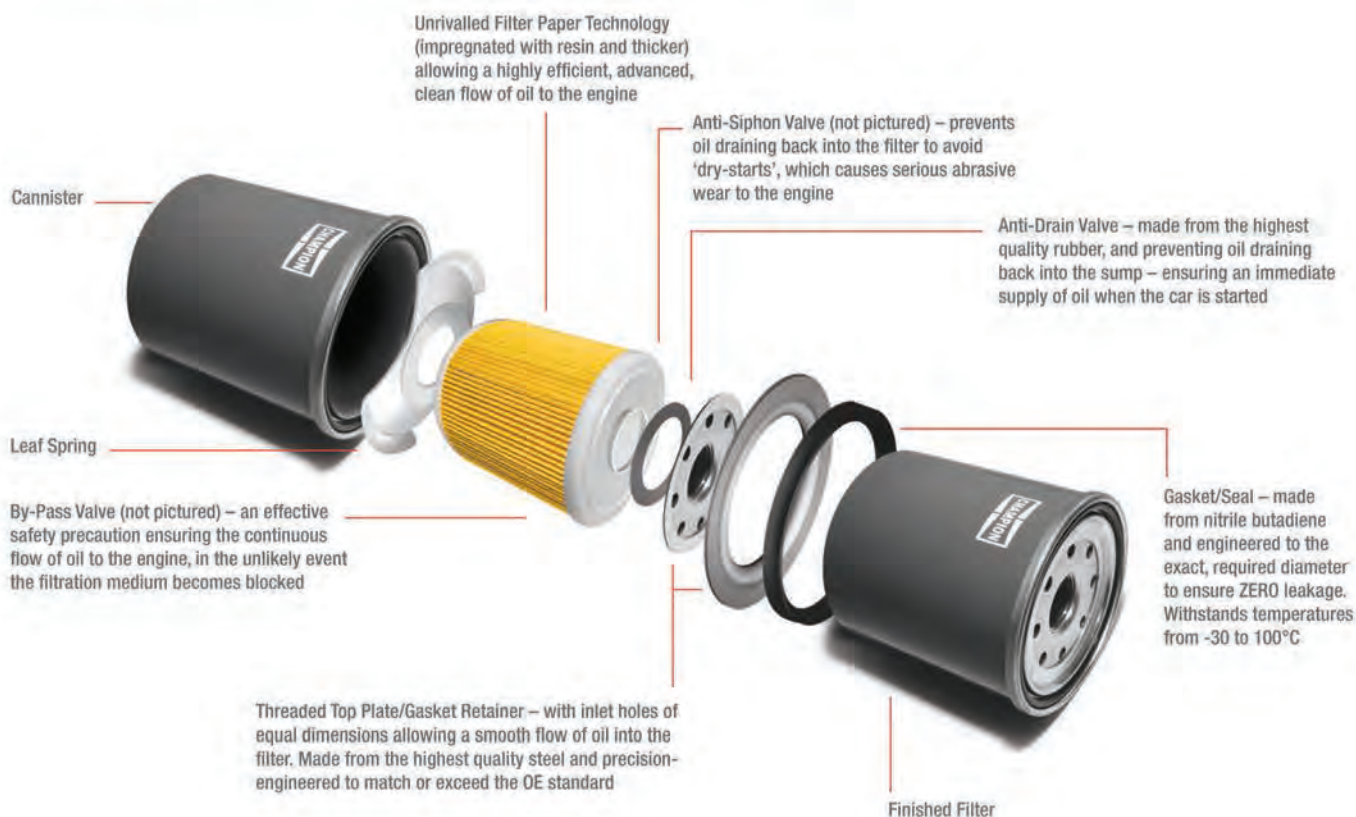

Superior performance

Our filter paper is unique and impregnated with resin that removes even the most damaging contaminants from the oil. Pleated, cured and mechanically joined to guarantee 100% filtration.

- Impregnated with sophisticated fibres ensuring rigidity, good tensile and burst strength
- Layers of fibres integrated across each other give the paper depth and structure
- Filter paper traps particles on the surface and also locks them inside the media allowing far fewer particles through the engine

Reliability with MAXIMUM engine protection

Prestazioni eccezionali

La nostra carta filtrante è unica nel suo genere e impregnata con una resina che rimuove anche i contaminanti più nocivi dall'olio. Pieghettata, trattata e meccanicamente fissata per garantire un filtraggio al 100%.

- Impregnata con fibre sofisticate per garantire rigidità, buona resistenza sia a trazione che allo scoppio
- Strati di fibre integrati e sovrapposti conferiscono spessore e struttura al filtro
- La carta filtro non solo intercetta le particelle sulla superficie, ma le blocca anche all'interno del fluido lasciando passare nettamente meno particelle verso il motore
